**14 Karat Yellow Gold Solitaire Ring
(1) Natural Diamond, Approx. 3.75 CT**

Unless otherwise noted, all gemstones have been evaluated while mounted, and only to the extent that the settings allow for proper examination. The mounting may limit accurate determination of carat weight, color, clarity, and overall cutting quality. The information in this report reflects GCAL by Sarine's professional opinion based on the available analysis and observations. These assessments are not guarantees or warranties and may vary within reasonable tolerances due to the inherent subjectivity of evaluating mounted gemstones.
